Introduction

Since 2006, IECA held education fair twice every year, respectively, in March and October. IECA aims to establish an opened platform for domestic agencies and overseas educational institutions, which provide a face-to-face communication opportunity for both students and overseas schools to seek suitable options.

Category

Long term/short term study-abroad consulting agencies, overseas education institutions, and study-abroad related industries.

IECA International Education Fair is one of the large scaled integrated marketing events in the Overseas-Study-Consulting industry in Taiwan.
